For good cause shown, the Court hereby GRANTS Siemens Industry Inc.'s ("Siemens") motion to seal portions of Veolia Water Solutions & Technologies Support's ("Veolia") Memorandum in Support of Veolia's Motion for Partial Summary Judgment (D.216), to seal portions of Exhibit C thereto, and to seal in full Exhibits B and D. The Court finds that these documents contain confidential commercial and technical information, and that public dissemination of this information would harm Siemens. Accordingly, this harm outweighs any public right to access.

THEREFORE, it is ORDERED that portions of Veolia's Memorandum in Support of Veolia's Motion for Partial Summary Judgment (D.216), portions of Exhibit C, and Exhibits B and D in their entirety will be sealed.

This 5th day of November, 2013.

The Honorable Louise W. Flanagan United States District Court Judge

You'r W. Llonegan
